Control your home from anywhere in the world

GENIUS SECURITY SYSTEMS

YOUR HAPPINESS IS OUR SUCCESS

www.geniugss.com

WHO WE ARE

We Genius Security Systems Provide Complete Solutions For Residence and Commercial Buildings

- Safety and Security Products
- Water Treatment Solutions
- Home Theatre Entertainment Systems
- Luxury Home Automation Products
- Solar Panels For Roof

WHY FEAR WHEN GSS IS HERE

OUR MISSION AND VISION

VISION

- To be the global leader in segment, recognized for innovation, trust, and excellence.
- To create a future where communities are safer and more resilient through transformative security solutions.
- To be the premier provider of electronic safety, security, water treatment, entertainment, solar panel and automation for residential and commercial clients.
- To set new industry standards for performance and customer satisfaction.
- Our main goal is to provide uninterrupted 24x7 security for your premises

MISSION

- To safeguard lives, assets, and peace of mind through cutting-edge electronic security solutions.
- To make electronic security a norm by providing easy-to-implement, reliable, and technologically advanced products and services.
- To deliver unparalleled protection, reliability, and peace of mind to customers through innovative and comprehensive systems.
- To exceed customer expectations through superior service, flawless execution, and a commitment to continuous improvement.

WHY CHOOSE US ?

BECAUSE THERE IS NO ONE LIKE US

- 01** We believe that it is these qualities over time that has built up trust, and gained GSS a reputation for reliability, honesty, and integrity. Over the years we are proud to have been able to welcome lots of happy customers to the GSS family.
- 02** At GSS we understand our customers, and work hard to offer a friendly, personal, single source solution, providing the products and services required to protect residences & businesses from fire, break-ins, and theft. Our aim is quite simply to provide sensible advice, offer practical solutions, and to help clients meet their requirements in the most efficient and effective way.
- 03** We understand that the continued success of our business depends on the satisfaction of our customers, which is why we are totally committed to them, and offer quality, cost-effective solutions. Just take a look at some of our testimonials to see the level of customer satisfaction we provide.

OUR RESEDENTIAL PRODUCTS

BURGLARY ALARM SYSTEMS

SMART HOME AUTOMATION

HOME THEATRE WITH ACOUSTICS

VIDEO DOOR PHONE

CCTV & NETWORKING

DIGITAL DOOR LOCK

GATE AUTOMATION

CURTAIN AUTOMATION

SOLAR PANELS FOR ROOF

WATER SOFTNER , PRESSURE PUMP & HEAT PUMP

OUR COMMERCIAL PRODUCTS

FIRE HYDRANT & SPRINKLER SYSTEM

FIRE ALARM

BURGLARY ALARM SYSTEMS

CCTV & NETWORKING

EPABX SYSTEM (INTERCOM)

BOOM BARRIER GATE

ACCESS CONTROL & TIME ATTENDANCE

FIRE EXTINGUISHER

PUBLIC ADDRESS (PA) SYSTEM

CENTRALIZED RO WATER PLANT FOR DRINKING

BURGLARY ALARM SYSTEM

BENEFITS

- **Deters Criminals:** Visible alarms discourage break-ins
- **Immediate Detection:** Alerts triggered by sensors on doors, windows, and motion
- **Rapid Emergency Response:** Automatic notification to security or police
- **Protection of People & Property:** Safeguards family, staff, and valuables
- **Lower Insurance Premiums:** Reduced rates for secured properties
- **Remote Monitoring:** Control and view alerts from your phone
- **Smart Integration:** Works with CCTV, smart locks, and home automation
- **Peace of Mind:** 24/7 security and safety confidence

HOME AUTOMATION

BENEFITS

- **Convenience:** Control home devices via phone or voice
- **Energy Efficiency:** Smart systems reduce energy use and costs
- **Enhanced Security:** Remote monitoring, smart locks, and alerts
- **Comfort & Personalization:** Automated lighting and climate settings
- **Remote Access:** Manage your home from anywhere
- **Increased Safety:** Sensors for smoke, gas, and water leaks
- **Time Savings:** Routine tasks automated for you
- **Higher Home Value:** Smart features attract buyers
- **Peace of Mind:** Continuous control and monitoring

CURTAIN AUTOMATION

BENEFITS

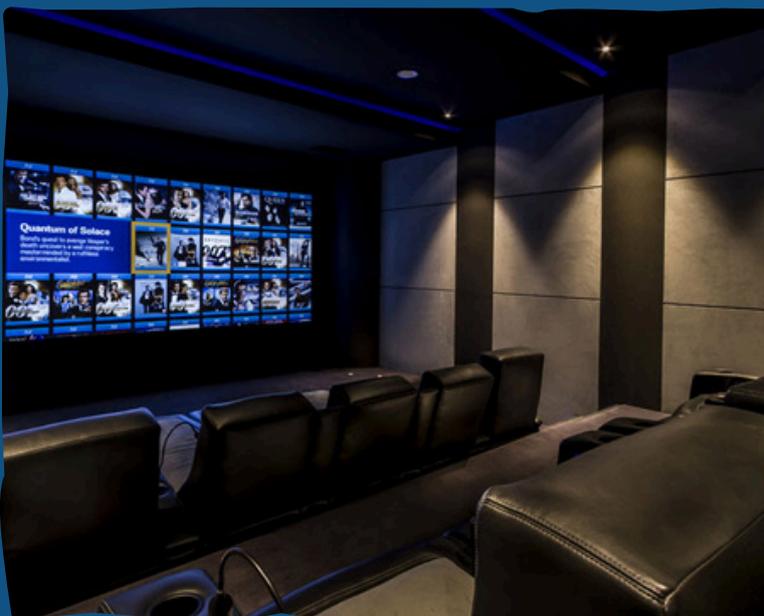

- **Convenience:** Open/close via remote, smartphone, or voice
- **Energy Efficiency:** Reduces heat gain, lowering AC usage
- **Enhanced Security:** Scheduled movement creates lived-in look
- **Improved Privacy:** Automatic closing at set times
- **Furniture Protection:** Blocks UV to prevent fading
- **Smart Integration:** Works with Alexa, Google Home, sensors
- **Accessibility:** Ideal for elderly or mobility-restricted users
- **Custom Scenes:** “Morning,” “Movie,” or “Bedtime” automation
- **Quiet Operation:** Smooth, low-noise motor movement

HOME THEATRE WITH ACOUSTICS

BENEFITS

- **Convenience:** Open/close via remote, smartphone, or voice
- **Energy Efficiency:** Reduces heat gain, lowering AC usage
- **Enhanced Security:** Scheduled movement creates lived-in look
- **Improved Privacy:** Automatic closing at set times
- **Furniture Protection:** Blocks UV to prevent fading
- **Smart Integration:** Works with Alexa, Google Home, sensors
- **Accessibility:** Ideal for elderly or mobility-restricted users
- **Custom Scenes:** “Morning,” “Movie,” or “Bedtime” automation
- **Quiet Operation:** Smooth, low-noise motor movement

BENEFITS

- **Crime Deterrence:** Visible cameras discourage intruders
- **Real-Time Monitoring:** Watch live video from anywhere
- **Evidence Collection:** Footage aids investigations and legal cases
- **Enhanced Security:** Protects people, property, and assets
- **Remote Access:** Control and view cameras via smartphone
- **Activity Tracking:** Monitor deliveries, visitors, or staff
- **Reduced Security Costs:** Less reliance on physical guards
- **Peace of Mind:** 24/7 monitoring ensures safety
- **Insurance Benefits:** May lower premiums for secured properties
- **Business Productivity:** Reduces misconduct and improves efficiency

NETWORKING

BENEFITS

- **Resource Sharing:** Share printers, files, and internet easily
- **Cost Efficiency:** Reduces hardware and software duplication
- **Improved Communication:** Email, messaging, and video conferencing
- **Centralized Data Management:** Simplifies backup and access control
- **Remote Access:** Work from anywhere with authorized access
- **Scalability:** Easily add devices as the network grows
- **Enhanced Security:** Firewalls, encryption, and access control protect data
- **Efficient Collaboration:** Real-time updates and shared documents
- **Better Performance:** Faster data transfer and operational efficiency
- **Reliability & Redundancy:** Backup systems ensure continuous operation

GATE AUTOMATION

BENEFITS

- Convenience – Open and close gates easily with a remote, smartphone, or keypad.
- Safety – Sensors detect obstacles, reducing risk of accidents for children, pets, or vehicles.
- Time-Saving – Quick entry and exit without manual effort.
- Access Control – Restrict entry using keypads, RFID cards, or remote devices.
- Weather Protection – No need to manually operate gates during rain, snow, or extreme weather.
- Durability – Smooth automated operation reduces wear and tear.

DIGITAL DOOR LOCK

BENEFITS

- Keyless Convenience: Unlock via PIN, fingerprint, RFID, or smartphone.
- Enhanced Security: Harder to pick or duplicate than traditional locks.
- Flexible Access Control: Assign and revoke codes for family, staff, or guests.
- Remote Access & Monitoring: Lock/unlock and check status from anywhere (smart locks).
- Visitor Logs: Track who entered and when (audit trail).
- Durability & Low Maintenance: Resistant to wear and tear, long-lasting.
- Convenience for Multiple Users: No need to manage multiple physical keys.

VIDEO DOOR PHONE (VDP)

BENEFITS

- **Enhanced Security:** See visitors before opening the door, reduces unauthorized entry.
- **Convenience:** Communicate without going to the door, remote unlocking for guests.
- **Remote Access:** Monitor and interact via smartphone or tablet from anywhere.
- **Visitor Records:** Capture video or snapshots, maintain logs for safety.
- **Two-way Communication:** Clear audio with visitors, ideal for homes and offices.
- **Deterrent Effect:** Visible cameras discourage unwanted visitors.
- **Smart Home Integration:** Works with alarms, smart locks, and other devices.

WATER SOFTENER

BENEFITS

- **Removes Hard Minerals:** Reduces calcium and magnesium, prevents scale buildup.
- **Protects Plumbing & Appliances:** Extends lifespan of pipes, water heaters, and appliances.
- **Improves Cleaning Efficiency:** Soap and detergents lather better, reducing usage.
- **Softer Skin & Hair:** Gentle on skin and hair, prevents dryness.
- **Prevents Stains & Spots:** Reduces water spots on dishes, faucets, and sinks.
- **Energy Savings:** Appliances work more efficiently without scale buildup.
- **Low Maintenance:** Easier upkeep of plumbing and household systems.

PRESSURE PUMP

BENEFITS

- **Consistent Water Pressure:** Ensures steady water flow in homes or buildings.
- **Improved Water Supply:** Reaches higher floors or distant taps efficiently.
- **Energy Efficiency:** Modern pumps use less electricity for optimal performance.
- **Supports Appliances:** Provides adequate pressure for showers, washing machines, and dishwashers.
- **Prevents Water Wastage:** Delivers water only as needed, reducing leaks and overflows.
- **Easy Installation & Maintenance:** Compact designs and low maintenance requirements.
- **Enhanced Comfort:** Smooth water flow improves daily convenience and usage experience.

SOLAR WITH HEAT PUMP

BENEFITS

- **Energy Efficiency:** Combines solar energy and heat pump technology for maximum energy savings.
- **Reduced Energy Bills:** Lower electricity consumption for heating and cooling.
- **Environmentally Friendly:** Uses renewable energy, reducing carbon footprint.
- **Consistent Heating & Cooling:** Maintains comfortable indoor temperatures year-round.
- **Versatile Applications:** Can be used for water heating, space heating, and cooling.
- **Long-term Savings:** Lower maintenance costs and longer system lifespan.
- **Supports Smart Home Integration:** Can be integrated with home energy management systems.

SOLAR PANEL FOR ROOF

BENEFITS

- **Reduced Electricity Bills:** Generate your own power and save on energy costs.
- **Environmentally Friendly:** Clean, renewable energy reduces carbon footprint.
- **Energy Independence:** Less reliance on grid electricity and rising energy prices.
- **Low Maintenance:** Durable panels with minimal upkeep required.
- **Increased Property Value:** Homes with solar panels are more attractive to buyers.
- **Government Incentives:** Eligible for tax credits, rebates, or net metering (varies by region).
- **Long-term Savings:** Panels typically last 20–25 years, providing consistent savings.

ACCESS CONTROL & TIME ATTENDANCE SYSTEM

BENEFITS

- **Enhanced Security:** Restricts unauthorized access to sensitive areas.
- **Accurate Attendance Tracking:** Automatically records employee in/out times.
- **Improved Productivity:** Reduces manual attendance management and errors.
- **Flexible Access Management:** Assign different access levels for employees or visitors.
- **Audit Trail & Reporting:** Provides logs for security and compliance purposes.
- **Integration with Payroll Systems:** Streamlines payroll calculation based on actual attendance.
- **Remote Monitoring & Control:** Manage access and track attendance from anywhere.
- **Reduced Fraud & Buddy Punching:** Ensures only authorized personnel can clock in/out.

FIRE HYDRANT & SPRINKLER SYSTEM

BENEFITS

- **Early Fire Detection & Control:** Automatically suppresses fire at an early stage.
- **Enhanced Safety:** Protects lives of occupants and emergency responders.
- **Minimizes Property Damage:** Reduces destruction to building and assets.
- **Continuous Water Supply:** Fire hydrants ensure reliable water access for firefighting.
- **Compliance with Regulations:** Meets safety codes and insurance requirements.
- **Quick Response:** Sprinklers activate instantly, controlling fire spread before firefighters arrive.
- **Reduces Fire Insurance Costs:** Lower risk can lead to premium reductions.
- **24/7 Protection:** Systems work continuously, even when buildings are unoccupied.

BOOM BARRIER GATE

BENEFITS

- **Controlled Access:** Regulates entry and exit of vehicles.
- **Enhanced Security:** Prevents unauthorized vehicles from entering premises.
- **Traffic Management:** Reduces congestion at parking lots, tolls, or gated areas.
- **Durable & Reliable:** Built to withstand heavy traffic and weather conditions.
- **Automation & Convenience:** Can integrate with RFID, access cards, or remote controls.
- **Reduces Manual Intervention:** Minimizes need for security personnel.
- **Cost-effective:** Low maintenance and long-lasting solution for vehicle control.
- **Integration with Security Systems:** Can work with CCTV, alarms, or parking management systems.

FIRE EXTINGUISHER – BRIEFING

BENEFITS

- **Immediate Fire Control:** Quickly suppresses small fires before they spread.
- **Enhanced Safety:** Protects lives of occupants and reduces injury risk.
- **Minimizes Property Damage:** Prevents major damage to buildings and assets.
- **Easy to Use:** Simple operation for emergencies with minimal training.
- **Versatile:** Suitable for different types of fires (electrical, chemical, etc.) depending on the extinguisher type.
- **Portable:** Can be placed in accessible locations throughout a building.
- **Compliance with Safety Regulations:** Meets fire safety codes and insurance requirements.
- **Cost-effective Safety Measure:** Affordable and reduces potential losses from fire incidents.
